

Brief Profile of Cambodian Organization

Working in field of research and natural resource management

1. Research institutions

- 1.1. Cambodia Development Resource Institute (CDRI)
- 1.2. Cambodian Economic Association (CEA)
- 1.3. Cambodian Institute for Cooperation and Peace (CICP)
- 1.4. Cambodian Research Centre for Development (CRCD)
- 1.5. Center for Advanced Study (CAS)
- 1.6. Economic Institute of Cambodia (EIC)
- 1.7. The Learning Institute

2. Government institutions

- 2.1. Cambodian Agricultural Research and Development Institute (CARDI)
- 2.2. Cambodia Food Insecurity and Vulnerability Information and Mapping System (FIVIMS)
- 2.3. Council for Agriculture and Rural Development (CARD)
- 2.4. Fisheries Administration (FiA)
- 2.5. Forestry Administration (FA)
- 2.6. Mekong River Commission (MRC)
- 2.7. National Committee for Sub-National Democratic Development (NCDD)
- 2.8. Supreme National Economic Council (SNEC)
- 2.9. Technical Working Group on Agriculture and Water (TWGAW)

3. Local non-governmental organizations

- 3.1. Cambodian Center for Study and Development in Agriculture (CEDAC)
- 3.2. Culture and Environment Preservation Association (CEPA)
- 3.3. Community Legal Education Center (CLEC)
- 3.4. Cooperation Committee for Cambodia (CCC)

Brief Cambodian Organization Profile

By Online DRF

- 3.5. Fisheries Action Coalition Team (FACT)
- 3.6. Indigenous Community Support Organization (ICSO)
- 3.7. Mlup Baitong
- 3.8. My Village (MVI)
- 3.9. NGO Forum on Cambodia
- 3.10. Save Cambodia's Wildlife (SCW)

4. Inter –institutional partnership networks

- 4.1. Cambodia Community Based Ecotourism Network (CCBEN)
- 4.2. Cambodian Human Sciences Research Network
- 4.3. Cambodia Research Group
- 4.4. Greater Mekong Subregion Environmental Operations Centre (GMSEOC)
- 4.5. Promoting Local Innovation (PROLINNOVA) Cambodia
- 4.6. System of Rice Intensification (SRI) in Cambodia

5. Universities

- 5.1. Chea Sim University of Kamchaymear (CSUK)
- 5.2. Prek Leap National School of Agriculture (PNSA)
- 5.3. Royal University of Agriculture (RUA)
- 5.4. Royal University of Phnom Penh (RUPP)

1. Research Institutions

1.1. Cambodia Development Resource Institute (CDRI)

Key focus:	Development research
Profile:	(founded in 1990) Independent institute Contributes to Cambodia's sustainable development through the generation of high quality policy-relevant development research, knowledge dissemination and capacity building.
Activities:	Conducts and disseminates research on rural livelihoods, land issues, social issues, agriculture, trade, tourism, economy, natural resources, environment and the RCG's policy of deconcentration and decentralization.
Contact:	56 Street 315, Tuol Kork, Phnom Penh, Cambodia Postal address: P.O. Box 622, Phnom Penh, Cambodia Tel: (855-23) 883-603 Fax: (855-23) 880-734 Email: cdri@wicam.org.kh Website: http://www.cdri.org.kh/

1.2. Cambodian Economic Association

Key focus:	Economic science
Profile:	(since 2005) A not-for-profit professional society that promotes economic science and its application in Cambodia. This is achieved through the development and dissemination of publications, studies and research, and provision of policy recommendations on socio-economic issues.
Activities:	Conduct research for the purpose of identifying policy options for the development of Cambodia, hold roundtable discussions, seminars, conferences and public forums on the development of the Cambodian economy.
Contact:	Suite 226, corner Street 274 & 3, Tonle Bassac, Phnom Penh, Cambodia Tel: (855-12) 971-055 Email: cea@cea.org.kh Website www.cea-cambodia.org

1.3. Cambodian Institute for Cooperation and Peace (CICP)

Key focus:	Research relating to development through regional integration and international cooperation
Profile:	(founded in 1994) Local NGO that focuses on promoting research and dialogue on issues relating to civil society, civil-military relations, economic development, foreign policy and international relations, the Greater Mekong Subregion, ASEAN network, and the WTO.
Activities:	Conduct and dissemination of research for capacity building of the public and civil society servants, holds conferences that promote international relations and regional security.
Contact:	Phnom Penh 12202, Kingdom of Cambodia P.O. Box 1007 Tel: (855-12) 819-953; (855-16) 982-558 Fax: (855-16) 982-559 Email: cicp.cambodia@gmail.com Website: http://www.cicp.org.kh

1.4. Cambodian Research Centre for Development (CRCDD)

Key focus:	Development research
Profile:	An independent, non-political, not-for profit research organization that focuses on research development. Aims to provide a broad public knowledge for sustainable development through academically rigorous research.
Activities:	Conduct research in two broad areas: society and development, and environment and development.
Contact:	Post Office Box 2515, Phnom Penh, Kingdom of Cambodia Email: webmaster@camdev.org Website: http://www.camdev.org

1.5. Center for Advanced Study (CAS)

Key focus:	Research
Profile:	(founded in 1996) Independent, non-political institution devoted to research, education and public debate on development issues.
Activities:	Provides research services, develops research projects, supports research capacity building, promotes use of evidence-based policy,

	and provides translation services for research publications.
Contact:	# 160, Street 156, Sangkat Tuek L'ak II, Khan Tuol Kork, Phnom Penh P.O. Box 2030 Tel. (855-23) 884-564 (Office) Email: cas9@online.com.kh Website: www.cascambodia.org

1.6. Economic Institute of Cambodia (EIC)

Key focus:	Research
Profile:	(founded in 2003) An NGO that acts as a think tank to promote awareness of Cambodian stakeholders on issues relating to the development issues and to participate in the formulation of sustainable economic development policies and strategies.
Activities:	Conducts policy oriented research on issues relating to trade, investment, poverty reduction, private sector development, social justice, economic governance, awareness raising among stakeholders through dissemination of research results through seminars, publications, consulting and the media.
Contact:	#2012ABC, NR5, Sangkat Tuol Sangke, Khan Russei Keo, Phnom Penh, Cambodia P.O. Box: 1008 Tel: (855-23) 987-941 Fax: (855-23) 987-942 Email: eic@eicambodia.org ; seiha.neou@eicambodia.org Website: http://www.eicambodia.org/

1.7. The Learning Institute

Key focus:	Action research on issues relating to natural resource management, climate change and food security
Profile:	(since 2005) NGO that works on action research, facilitating collaborative research and capacity development in the areas of livelihoods, equity and food security; adaptive management and climate change; and local planning, local governance and decentralization.
Activities:	Research project on climate change and food security, action research on natural resource management, dissemination and promotion of development research and support for students.

Contact:	#30, Street 9, Sangkat Tonle Bassac, Khan Chamkar Morn, Phnom Penh, Cambodia P.O. Box 2509, Phnom Penh, Cambodia Tel: (855-23) 994-935 Fax: (855-23) 224-171 Email: info@learninginstitute.org Website: www.learninginstitute.org
-----------------	---

2. Government Institutions

2.1. Cambodian Agricultural Research and Development Institute (CARDI)

Key focus:	Agriculture, economics, food security, research, increasing crop diversification and quality
Profile:	(founded in 1999) A semi-autonomous institute that aims to assist the RGC in its rural development goals through contributing to policies on poverty alleviation and economic development.
Activities:	Research program on rice production, assist the RGC to achieve its rural development objectives, work in partnership with extension, NGO and private sector agencies to increase the impact of improved technologies.
Contact:	Dr. Ouk Makara, Director National Road No. 3, Prateah Lang Commune, Dangkor District, Phnom Penh, Kingdom of Cambodia P.O. Box 01 Tel: (855-23) 6319-693 H/P: (855-11) 911-165 Email: cardi@cardi.org.kh ; ouk.makara@cardi.org.kh Website: http://www.cardi.org.kh/

2.2. Cambodia Food Insecurity and Vulnerability Information and Mapping System (FIVIMS)

Key focus:	Food security
Profile:	(founded in 1999) A system or network of systems that operates under the Ministry of Agriculture, Forestry and Fisheries and assembles, manages, analyses and disseminates information about people who are food insecure and/or malnourished, or are at risk of becoming food insecure and malnourished. It helps identify, locate and estimate the number of the food insecure and vulnerable and understand the causes of food insecurity and vulnerability.

Brief Cambodian Organization Profile

By Online DRF

Activities:	Gathers and disseminates information about food security to government bodies, NGOs and other agencies. Develops country maps that indicate food security issues in Cambodia.
Contact:	Mr. Men Sothy Ministry of Agriculture, Forestry and Fisheries #200, Preah Norodom, Sangkat Tonle Bassac, Khan Chamkar Mon, Phnom Penh, Cambodia Tel: (855-11) 704-264 Email: sothy_men@yahoo.com Website: http://www.foodsecurity.gov.kh/FIVIMS/index.htm

2.3. Council for Agriculture and Rural Development (CARD)

Key focus:	Food security and nutrition
Profile:	(since 1998) Council of the royal government of Cambodia that focuses on the development and rehabilitation of the agricultural and rural development sectors for the purpose of attaining food security, helping farmers to increase agricultural productivity, etc.
Activities:	Promotes coordination between grassroots organizations, the private sector, international organizations and the government to assist in the alleviation of hunger and improve the welfare of the rural poor.
Contact:	Mr. Vong Sokha Deputy Director Health, Food Security and Nutrition of CARD Council for Agricultural and Rural Development Office of the Council of Ministers, Russian Federation Boulevard P.O. Box 2470, Phnom Penh, Cambodia Tel: (855-23) 428-464 Email: foodsecurity@online.com.kh Website: http://www.foodsecurity.gov.kh/CARDBack.aspx

2.4. Fisheries Administration (FIA)

Key focus:	Regulation of fishery resources
Profile:	Government department under the Ministry of Agriculture, Forestry and Fisheries (MAFF) responsible for overseeing all fishery exploitation and management activities in Cambodia.
Activities:	Manage fishery resource inventory, enact laws and regulations, research on fishery and aquaculture, manage fishery exploitation, promote and support Community Fisheries.
Contact:	Fisheries Administration Ministry of Agriculture, Forestry and Fisheries, # 186, Norodom Blvd, Phnom Penh 12301, Cambodia. Tel: (855-23) 215-796 Fax: (855-23) 215-470 Email: N/A Website: http://www.maff.gov.kh/eng/depts/fia.html

2.5. Forestry Administration (FA)

Key focus:	Regulation of forest resources
Profile:	Government department under the Ministry of Agriculture, Forestry and Fisheries responsible for managing forest resources within the Permanent Forest Reserve.
Activities:	Manage forest resource inventory, enact laws and regulations, research on forestry and Non-Timber Forest Products, manage forest resource use, environmental protection, conduct research of forest resources, promote and support Community Forestry.
Contact:	Forestry Administration Ministry of Agriculture, Forestry and Fisheries, # 40, Norodom Blvd, Phnom Penh 12205, Cambodia Tel: (855-23) 214-651; 211-535 Fax: (855-23) 212-201 Email: N/A Website: http://www.forestry.gov.kh/

2.6. Mekong River Commission (MRC)

Key focus:	Environment, natural resource management, development
Profile:	(since 1995) A cooperation between the governments of Cambodia, Lao PDR, Thailand, Vietnam, China and Myanmar. This organization promotes the cooperation between governments for the promotion of sustainable and pro-poor development and the monitoring of environmental impacts in the Mekong River Basin.
Activities:	Promotes management of fisheries, safe navigation, irrigated agriculture, watershed management, environment monitoring, flood management and exploring hydropower options.
Contact:	Mekong River Commission Secretariat # 576 National Road No. 2, Sangkat Chak Angre Krom, Khan Menachey, Phnom Penh, Cambodia P.O. Box 623 Tel: (855-23) 425-353; (855-92) 666-991 Fax: (855-23) 425-363 Email: mrcs@mrcmekong.org Website: www.mrcmekong.org

2.7. National Committee for Sub-National Democratic Development

Key focus:	Promotion of democratic development through decentralization and deconcentration reforms
Profile:	(founded in 2008) An inter-ministerial mechanism of the Royal Government of Cambodia for promoting democratic development through decentralization and deconcentration reforms.
Activities:	Design and implement the national program on democratic development at sub-national level in accordance with the Law on Administrative Management of Capital, Provinces, Municipalities, Districts and Khans, Law on Administrative Management of Communes/Sangkats and Law on Public Financial System.
Contact:	NCDD Secretariat Office Office located in Ministry of Interior Norodom Boulevard, Chamkar Morn, Kingdom of Cambodia Tel: (+855-23) 362-175; (+855-23) 720-038 Email: info@ncdd.gov.kh Website: www.ncdd.gov.kh

2.8. Supreme National Economic Council (SNEC)

Key focus:	Policy on socioeconomics and economics
Profile:	(founded in 2001) Council under the Council of Ministers, established to advise the Prime Minister of the Royal Government of Cambodia on socio-economic policy including governance.
Activities:	Coordinate policy making for domestic and international economic issues, coordinate economic policy advice for the Prime Minister, ensure policy is in line with the RGC's economic goals, monitor and evaluate the Prime Minister's socioeconomic policy agenda.
Contact:	No. 208A, Norodom Blvd., Sangkat Tonle Bassac, Khan Chamkarmon, Phnom Penh, Kingdom of Cambodia Tel: (855-23) 722-870 Fax: (855-23) 722-870 Email: admin@sneec.gov.kh Website: www.sneec.gov.kh

2.9. Technical Working Group on Agriculture and Water (TWGAW)

Key focus:	Agriculture, water, development
Profile:	(established in 2004) Technical working group set up by the RGC to foster and enhance high technical level dialogue between RGC Administration and other stakeholders. The main function of the TWGAW is a supportive and collaborative role in assisting the RGC to progress agricultural development in Cambodia.
Activities:	Holds meetings to exchange information and discuss relevant issues relating to the development of the Agriculture and Water sector. Holds workshops for government ministries to build capacity and achieve targets set by the RGC's policies and strategies.
Contact:	TWGAW Secretariat 200 Norodom Boulevard, Phnom Penh Tel: (855-023) 726-520 / (855-016) 947-475 Email: twgaw@camnet.com.kh

3. Non-governmental organizations

3.1. Cambodian Center for Study and Development in Agriculture (CEDAC)

Key focus:	Ecological agriculture and rural development
Profile:	(founded in 1997) The organization aims to provide training services in ecological agriculture and socially responsible enterprises, while developing innovations and technologies to support the development of local communities. Large focus on capacity building of farmers and those living in rural villages. Smaller focus on research led initiatives.
Activities:	Provides loans and agricultural skill training to youth and small scale farmers; conducts participatory action research; facilitates workshops to share knowledge with farmers, students and NGOs; facilitates 3 knowledge networks (Promoting Local Innovation, Wood Energy Network in Cambodia, System of Rice Intensification Working Group).
Contact:	#119, Street 257, Sangkat Teuk La-ak I, Khan Toul Kok, Phnom Penh P.O. Box 1118 Tel: (855-23) 880-916 Fax: (855-23) 885-146 Email: cedacinfo@cedac.org.kh Website: http://www.cedac.org.kh

3.2. Culture and Environment Preservation Association (CEPA)

Key focus:	Natural resource management, environment
Profile:	(since 1995) Focuses on sustainable use of forest and fisheries, water resource management, climate change adaptation, human resource development, and activism regarding issues of natural resource management. Works with students, local communities, indigenous communities in north-east Cambodia, and other groups.
Activities:	Provides technical and financial support for community based forestry and community based fisheries; training for students to become environmental activists; empowers community people and promotes gender in NRM and sustainable development; pushes networking for member communication; and advocacy initiatives for communities' rights to access natural resources.
Contact:	# 51F, Street 210, Sangkat Toek La-ak 3, Khan Toul Kork, Phnom Penh P.O. Box: 1486 CCC Box: 357

	<p>Tel: (855-23) 881-613 Email: cepa@cepa-cambodia.org Website: http://www.cepa-cambodia.org/</p>
--	---

3.3. Community Legal Education Center (CLEC)

Key focus:	Legal education, legal empowerment and advocacy
Profile:	(since 1996) Local NGO that focuses on promoting justice and democracy by supporting development of institutions that promote the justice, peace and social harmony.
Activities:	Provides trainings for NGOs, local communities, government officials on issues relating to law reform issues. Awareness raising on legal advocacy of natural resource management and land issues.
Contact:	<p>#54, Street 306, Sangkat Boeung Keng Kang 1, Phnom Penh, Cambodia P.O. Box 1120 Tel: (855-23) 215-590 Fax: (855-23) 211-723 Email: admin@clec.org.kh Website: http://www.clec.org.kh/</p>

3.4. Cooperation Committee for Cambodia (CCC)

Key focus:	Cooperation between civil society, government and donor sectors
Profile:	(since 1991) Aims to strengthen the voice of society and represent the voice of NGO sector to government and donors. Provides access to information about NGOs and development in Cambodia, advice regarding NGO organizational practices and up to date directories, research studies and surveys compiled and conducted by CCC and its affiliated partners and projects.
Activities:	Coordinates with government, NGOs and donors to promote dialogue and common understanding. Runs a project called Analyzing Development Issues (ADI) which analyzes development issues to help strengthen the capacity of Cambodian NGO managers.
Contact:	<p>#9-11, Street 476, Sangkat Toul Tom Poug I, Phnom Penh P.O. Box 885, Phnom Penh, Cambodia Telephone: (855-23) 214-152 Fax: (855-23) 216-009</p>

Email: info@ccc-cambodia.org Website: www.ccc-cambodia.org
--

3.5. Fisheries Action Coalition Team (FACT)

Key focus:	Fisheries, natural resource management, water resources, Tonle Sap region
Profile:	(established in 2000) A coalition of local and international NGOs that focuses on environmental issues around the Tonle Sap region. Monitors the fisheries sector and promotes human rights, sustainable livelihoods, education and raising awareness.
Activities:	Facilitates workshops; gathers information on fisheries issues, collects facts and information, analyzes and distributes it to governmental line agencies and donors; organizes fisher networks to increase capacity and resolve conflicts.
Contact:	Head office #215, Str. 150, Sangkat Toeuk Laak II, Khan Toul Kork, Phnom Penh P.O. Box: 240 (CCC) Tel/Fax: (855-23) 992-044 Email: fact@fact.org.kh Website: http://www.fact.org.kh/

3.6. Indigenous Community Support Organization (ICSO)

Key focus:	Indigenous people in Ratanakiri and Mondulokiri
Profile:	(founded in 2006) Aims to support Indigenous People Networks (IPN) through building and strengthening the capacity of member organizations/groups (IPOs) in contributing the protection of their natural and traditional resources rights.
Activities:	Build capacity on developing management plans, commune land titling, empowerment of indigenous women, sustainable natural resource management.
Contact:	# 37, Street 396, Sangkat Boeng Keng Kang III, Khan Chamkar Morn, Phnom Penh, Cambodia Tel: (855-23) 997-657 Email: ppoffice@icso.org.kh Website: www.icso.org.kh

3.7. Mlup Baitong

Key focus:	Natural resources and environment
Profile:	(founded in 1998) Aims to contribute to poverty alleviation of Cambodia through right based empowerment of rural communities to manage their natural resources sustainably while obtaining improved livelihoods. Promotes sustainable natural resource management, environmental protection, livelihood improvement. Efforts are targeted towards villagers in rural communities, particularly women, in the provinces of Kampong Thom, Kampong Speu, Steung Treng and Kampot.
Activities:	Provides capacity building to Management Committees for micro-project proposal development and implementation, integrating NRM activities into the Commune Development Plan, increasing local people's knowledge on climate change, helps communities to establish Community Based Eco-Tourism and Community Forestry.
Contact:	Office Address: #37B, St. 113, Boeung Keng Kang 2, Chamkarmorn, Phnom Penh Postal Address: P.O. Box 2510, Phnom Penh 3, Cambodia Tel: (855-23) 214-409 Fax: (855-23) 220-242 Email: mlup@online.com.kh Website: www.mlup.org

3.8. My Village (MVI)

Key focus:	Indigenous people's rights, natural resource management
Profile:	(established in 2006) Works to improve the livelihood of Indigenous communities through community organizing, strengthening and natural resource management. Operates in the provinces of Mondulkiri and Stung Treng.
Activities:	Focuses on organizing community forests, helping indigenous people learn about their rights, helping women become empowered, and facilitating communities in undertaking various development projects.
Contact:	MVI Phnom Penh #78A, St. 135, Toul Tumpong I, Chamka Morn, Phnom Penh, Cambodia Tel: (855-23) 635-5167 Email: myvillage@mvicambodia.org Website: http://www.mvicambodia.org/

3.9. NGO Forum on Cambodia

Key focus:	Cooperation and information sharing between NGOs
Profile:	A membership organization for local and international NGOs working in Cambodia. Promotes information sharing, debate, and advocacy on development issues to build cooperation among NGOs.
Activities:	Holds consultative group meetings, facilitates dialogue between NGOs, dissemination of information on development priorities to NGOs.
Contact:	#9-11 Street 476, Toul Tompong, Phnom Penh 3, Cambodia P.O. Box 2295 Tel: (855-23) 214-429 Fax: (855-23) 994-063 Email: ngoforum@ngoforum.org.kh Website: www.ngoforum.org.kh

3.10. Save Cambodia's Wildlife (SCW)

Key focus:	Conservation of Cambodian wildlife and natural environments
Profile:	(since 2000) Implements environmental education and training programs to help protect and conserve Cambodia 's wildlife and natural environment. Aims to raise public awareness of environmental issues and encourage sustainable development in communities.
Activities:	Provides education and training workshops, community outreach programs, NGO capacity building, cross-sector projects, environmental awareness campaigns, and develops environmental learning materials and publications.
Contact:	Office Address: #31Eo, Street 388, Sangkat Toul Svay Prey I, Khan Chamkarmon, Phnom Penh, Cambodia P.O. Box 2032, Phnom Penh 3, Cambodia Tel: (855-23) 211-263 Fax: (855-23) 222-036 Email: info@cambodiaswildlife.org Website: http://cambodiaswildlife.org/

4. Inter –institutional partnership networks

4.1. Cambodia Community Based Ecotourism Network (CCBEN)

Key focus:	Community based ecotourism
Profile:	(founded in 2007) A network consisting of over 30 membership organizations – including national and local conservation and development organizations, private companies, and academic institutions - which serves to strengthen sustainable tourism development that empowers community and promotes local livelihood, conservation and visitor satisfaction.
Activities:	Exchanges information, builds local capacities, provides training in CBET, marketing and promotion, facilitates between communities and travel agencies, lobbying and advocacy.
Contact:	#64Eo, street 454, Sangkhat Tuol Tompong I, Khan Chamkarmorn, Phnom Penh, Cambodia; (near Tuol Tompong/ Russian Market) Tel: (855-23) 217-875 Email: info@caben.org Website: http://www.caben.org/

4.2. Cambodia Human Sciences Research Network

Key focus:	Discussion of research related to Cambodia
Profile:	A network of academics from various levels – Bachelors, Masters, PhDs, confirmed academics, from backgrounds such as anthropology, history, sociology, archaeology, psychology, geography, linguistics, urbanism, criminology, political sciences, and more – that share a common interest in Khmer studies and research on Cambodia. This group meets informally once a month to discuss a different topic each month.
Activities:	Discussion of research, sharing of knowledge
Contact:	Website: http://hshhpp.pbworks.com/w/page/Who-we-are%2C-what-we-do

4.3. Cambodia Research Group

Key focus:	Research relating to economic development, peace building and democratization
Profile:	A research programme resulting from the collaborative effort between Dutch, Cambodian, and Thai academics. The purpose is to increase cooperation and communication between parties involved in development initiatives in Cambodia while involving as many stakeholders as possible. The research programme aims to contribute to capacity building for Cambodian institutes of higher education through curriculum development, supporting local research, and building a sustainable support-network for academics and students.
Activities:	Support for PhD research projects, research programme, workshops.
Contact:	Prof. Dr. Heidi Dahles, VU University of Amsterdam VU University Amsterdam De Boelelaan 1081 1081 HV Amsterdam The Netherlands Tel: +31-20-5986734/40 Fax: +31-20-5986765 Email: h.dahles@vu.nl Website: www.cambodiaresearch.org

4.4. Greater Mekong Subregion Environmental Operations Center (GMSEOC)

Key focus:	Sustainable development in Greater Mekong Subregion
Profile:	Supported by the six countries that share the Mekong River – Cambodia, Lao PDR, Myanmar, Thailand, Viet Nam and Yunnan Province Guangxi Zhuang Autonomous Region of China. The purpose of GMSEOC is to serve as a clearinghouse for environmental management in the Greater Mekong Subregion, and to get GMS countries to effectively manage their environment and economic development through enhanced connectivity and a better sense of community.
Activities:	Training seminars for communities, government ministries and other groups; establishment of biodiversity corridors; assesses potential environmental impacts of development in GMS; international seminars on climate change; sustainable development design, environmental assessment; coordination and liaison.
Contact:	GMS Environment Operations Center The Offices at Central World, 23/F 999/9 Rama 1 Road, Pathumwan Bangkok 10330, Thailand

	Tel: +66 2 207 4444 Fax: +66 2 207 4400 Email: info@gms-eoc.org Website: http://www.gms-eoc.org/
--	---

4.5. Promoting Local Innovation (PROLINNOVA) Cambodia

Key focus:	Natural resource management, agriculture, environment
Profile:	(since 2007) Promotes local innovation in ecologically-oriented agriculture and natural resource management. Works to build capacities of farmers, researchers, lecturers and policy makers in using participatory approaches. Also focuses on building relationships among and with NGOs and local farmers to enhance knowledge sharing, experimenting and networks.
Activities:	National forum on local innovation; workshops on food security and capacity building; field experimentation tests with farmers to test innovations and current practices of agriculture.
Contact:	Mr Yang Saing Koma (Country Coordinator) Email: yskoma@online.com.kh Mr. Sam Vitou Email: samvitou@online.com.kh Website: http://www.prolinnova.net/Cambodia/index.php

4.6. System of Rice Intensification (SRI) in Cambodia

Key focus:	Increasing productivity of rice farming
Profile:	(founded in 2000) Promote SRI methodology to increase the productivity of irrigated rice through promoting more productive rice farming technologies.
Activities:	Support SRI working group, manage database on SRI implementation in Cambodia, organize field visits for donors and policy makers, organize events, workshops and meets on SRI, prepare reports, disseminate SRI-related information to stakeholders and collaborate with technical working group.
Contact:	Mis. Im Sothy Department of Agronomy and Agricultural Land Improvement (DAALI) Ministry of Agriculture, Forestry and Fishery (MAFF) # 200, Preah Norodom Blv, Khan Chamkar Morn, Phnom Penh, Cambodia

	Tel: (855-23) 996-255 Email: maff-sri@camintel.com Website: www.foodsecurity.gov.kh/sri
--	---

5. Universities

5.1. Chea Sim University of Kamchaymear (CSUK)

Key focus:	Education in management and agriculture
Profile:	Established in 1993, the school was named as MVU (Maharishi Vedic University), and then changing its name in 2008. CSUK's mission is to provide education to rural youth who would not otherwise have access to university. CSUK seeks to train a new generation of leaders free from the stress, fears and corruption that have been the legacy of Cambodia's recent history.
Activities:	Education, training, coursework, lectures
Contact:	Phnom Penh Office No. 152, Norodom Blvd, Phnom Penh, Cambodia GPO. Box 865 Director International Relations: Mr. Seth Khan Tel: (855-17) 888-166; (855-12) 893-944 Email: mvu-camb@forum.org.kh Website: http://www.csuk.edu.kh/

5.2. Prek Leap National School of Agriculture (PNSA)

Key focus:	Education in agriculture
Profile:	(Reopened in 1984) The role of Prek Leap National School of Agriculture is to play a leading role in the development and teaching of applied courses in agriculture and related areas. The school provides a range of courses for the education, training and retraining of students, farmers, existing staff of agricultural departments as well as staff of related ministries, and private sector employees.
Activities:	Education, training, coursework, lectures
Contact:	Prek Leap National School of Agriculture

	Road 6A, Sangkat Prek Leap, Khan Russey Keo, Phnom Penh, Cambodia P.O. Box 1319 Email: info@pnsa.edu.kh Website: http://www.pnsa.edu.kh/
--	---

5.3. Royal University of Agriculture (RUA)

Key focus:	Education in agriculture
Profile:	RUA is a public administrative institution with the mission to educate in agriculture at every level with high quality and capacity to help develop the country. Offers undergraduate and postgraduate programs. Faculties include: Faculty of Agronomy Science, Faculty of Animal Science and Veterinary Medicine, Faculty of Forestry Science, Faculty of Fishery Science, Faculty of Agricultural Technology and Management, Faculty of Economics and Rural Development, Faculty of Agro-Industry, Faculty of Land Management and Land Administration, Faculty of Information Technology, Faculty of Basic Science.
Activities:	Education, training, coursework, lectures
Contact:	Chamkar Daung, Phnom Penh, Cambodia P.O. Box 2696 Tel: (855-23) 219-829; Fax: (855-23) 219-690 Email: rua@forum.org.kh

5.4. Royal University of Phnom Penh (RUPP)

Key focus:	Education
