THE PRAYUTERS LIBRARY PROGRAM

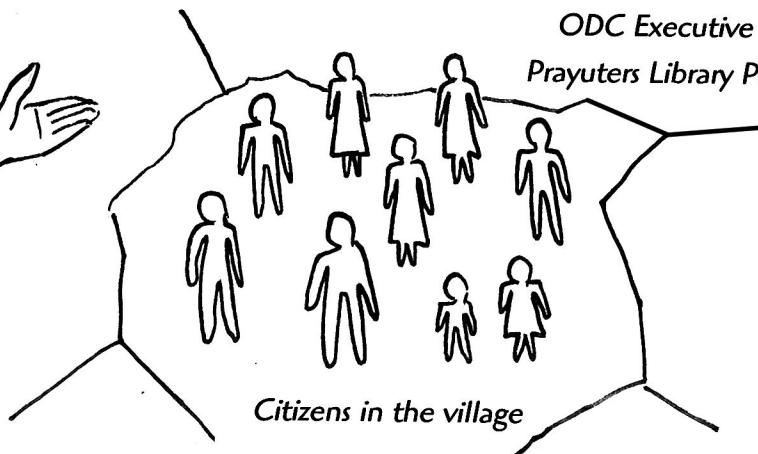

Book and computers with internet connection for the villagers to use

ODC Executive Director and Prayuters Library Program Founder

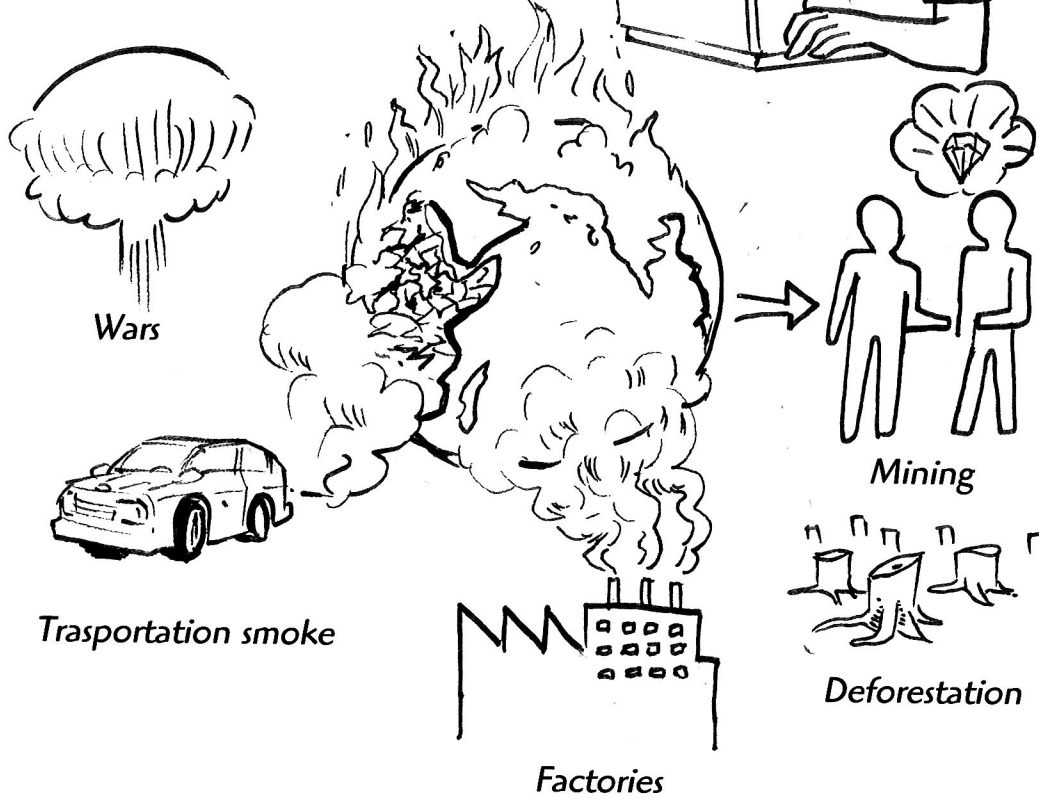

Chief of the Sangkat

Citizens in the village

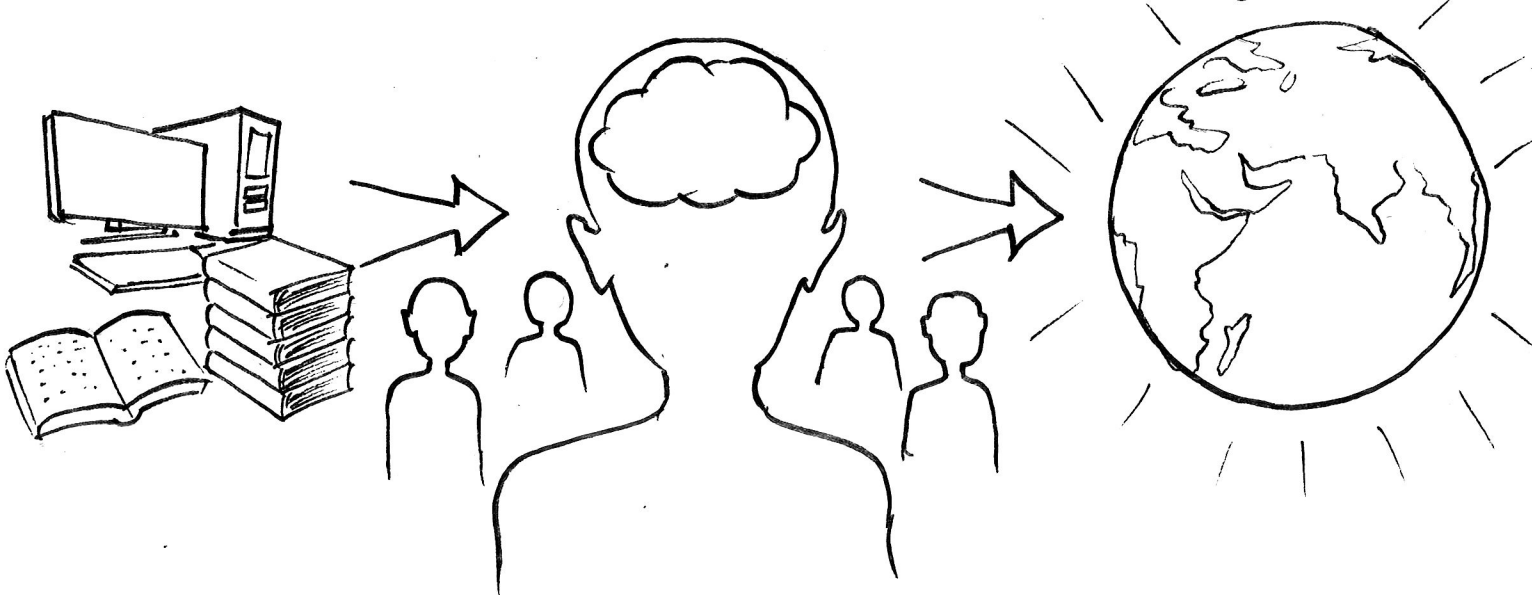

CLIMATE CHANGE

What are the causes of climate change?

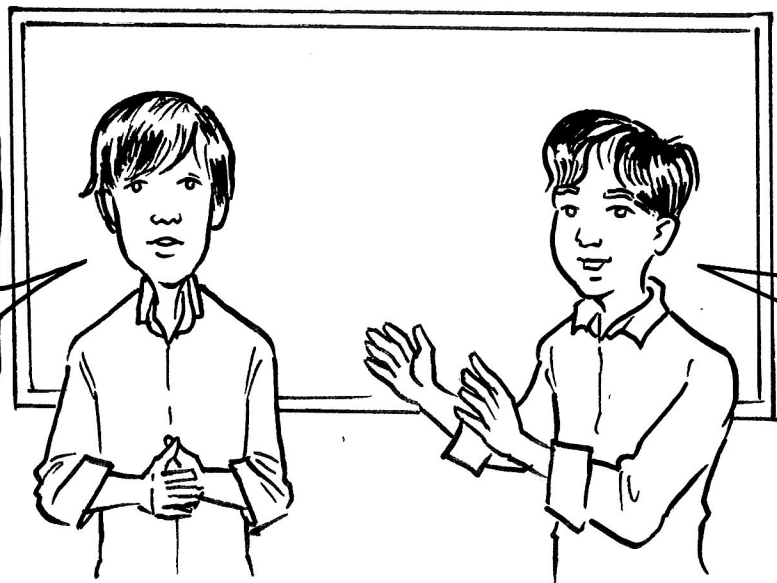

Who contributes to the climate change?

Knowledge for the younger generation is the solution to address the climate change in the future

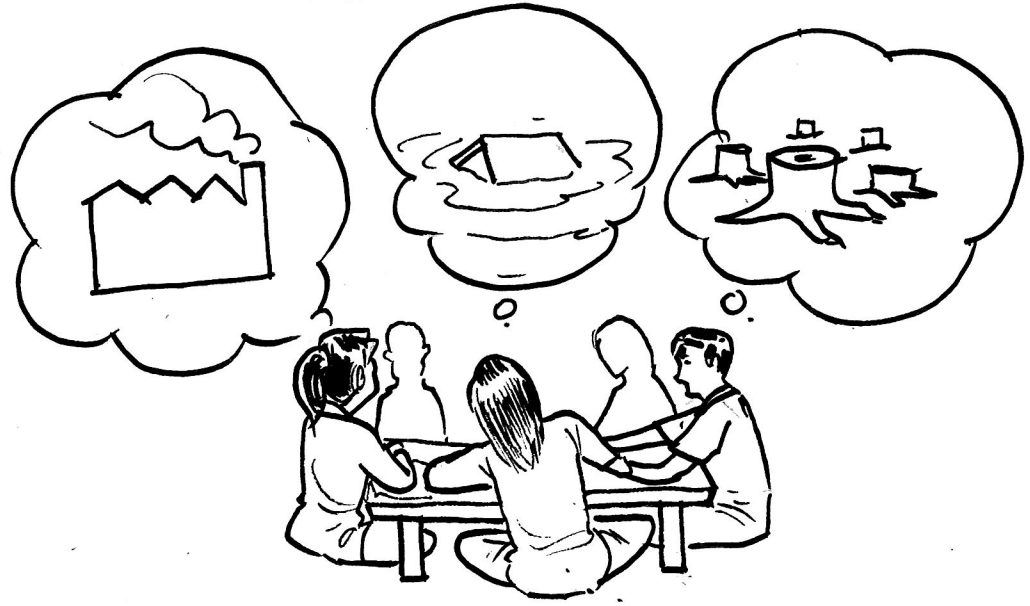

After listening to the climate change presentation, what do you think about the issue?

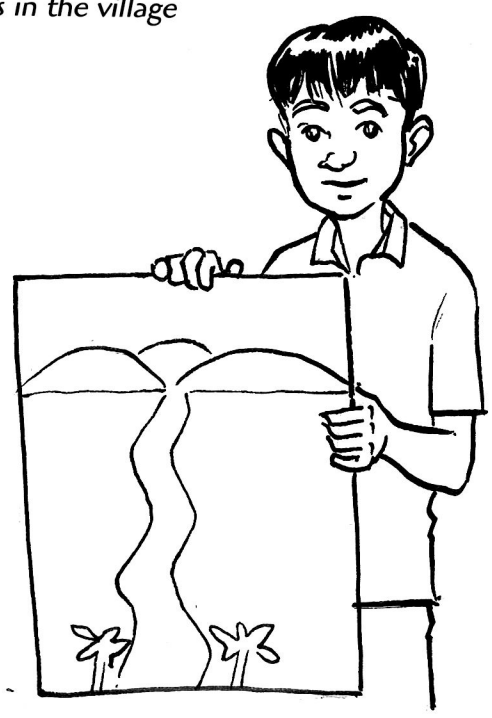

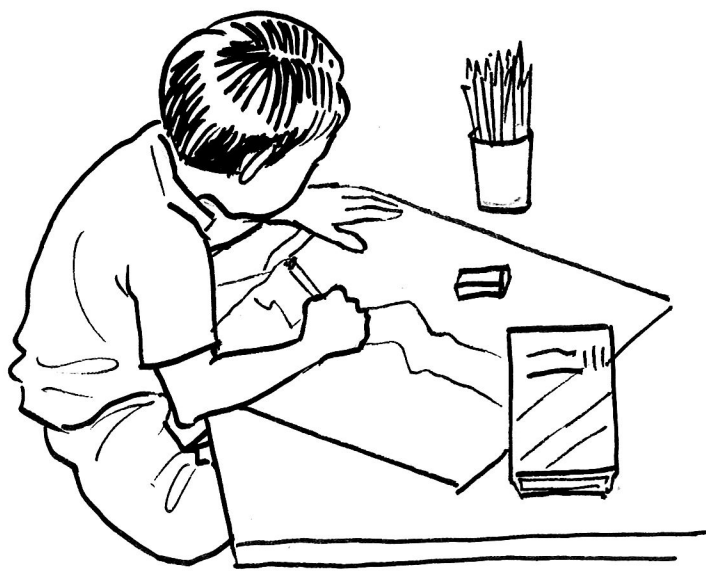

Please draw your ideas

Mr. Hai

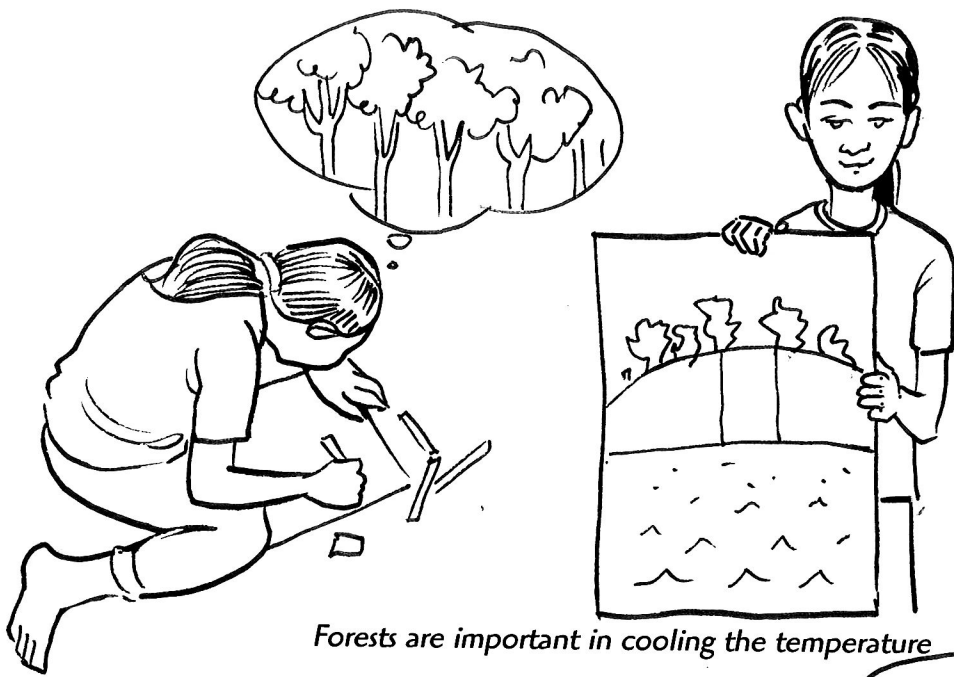

Mr. Kosal

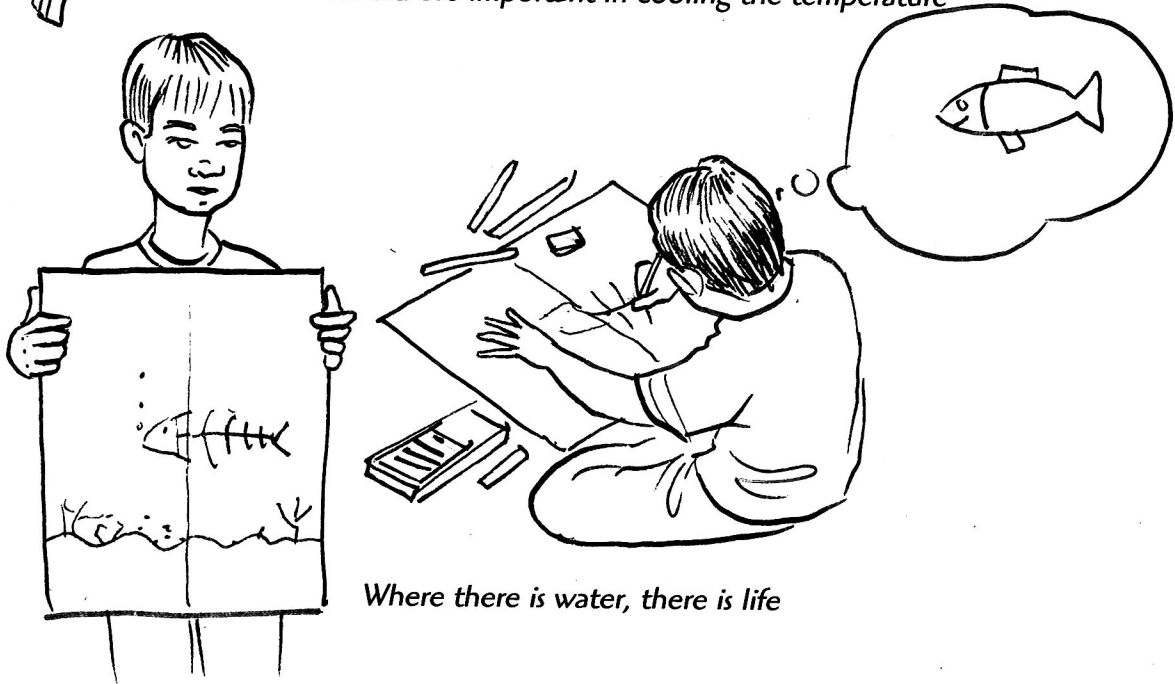

Children and youths in the village

I want to have a water source for the rice fields of the people in my village

Forests are important in cooling the temperature

Where there is water, there is life

Drawing done by children and youths in the village
