ACLEDA BANK SIGNS CORPORATION SERVICE AGREEMENT WITH SMBC

September 12, 2013

Phnom Penh — September 12, 2013 — ACLEDA Bank Plc, the bank you can trust, the bank for the people, a leading commercial bank for all sectors, today announced that it signs a Corporation Service Agreement with Sumitomo Mitsui Banking Corporation (SMBC). Under this agreement, the parties intent is to establish a Foreign Corporate Desk in ACLEDA Bank's office.

Under the agreement, SMBC will provide their skill and expertise on the Foreign Corporate Desk (FCD) to assist and support ACLEDA Bank to expand its commercial bank products and services to meet international clients' need, especially Foreign Corporate Desk services.

Mr. Masayuki Shimura, Managing Director and Head of Asia Pacific Division of SMBC, and Dr. IN Channy, President & Group CEO of ACLEDA Bank Plc., are signing the agreement

The actual start of operation of the Foreign Corporate Desk will be announced nearer the date of actual commencement of business.

"We are thrilled that ACLEDA Bank, has chosen SMBC to provide their skill and expertise on the Foreign Corporate Desk," said Mr. Masayuki Shimura, Managing Director and Head of Asia Pacific Division of SMBC. "SMBC will expand its ability to provide clinical trials solutions beyond its current high quality, useful information and service to ACLEDA Bank such as (1) share best practices of relevant compliance matters in relation to the Foreign Corporation Business, (2) share best practices in areas of risk monitoring and risk techniques to ensure that the Foreign Corporate Desk's relationship strategy is in line with the portfolio and/or industry quality, (3) develop and execute strategies and plans (such as customer accounting plans, product sales plans, operating platforms and resource plans) for optimizing revenue/income across a full range of products aimed at Foreign Corporate customers, (4) contribute to the team's business plans for the expansion of business opportunities in អេស៊ីលីដា 😯

Colour of ACLEDA Bank's logo are White, Gold, and Blue.

- White: Ethics (transparency, honesty and integrity)
- Gold: Value and quality
- Blue: Unity, stability and wellbeing

The combine of the three colours presents seeds and resources with sustainable growth and development in financial sector.
