About Us

Unparalleled Opportunities

Experience matters. Constantly innovating, at OCIC we are always seeking the most relevant and most innovative ways to partner with local and global businesses, entrepreneurs, corporations and governments to design, engineer, build, and deliver pioneering property and infrastructure projects.

About Us

A Message from our Chairman Oknha Pung Kheav Se

OCIC provides leadership, development capability, funding and finance solutions across the project cycle to support

property and infrastructure development that drives

progress.

“We are an ambitious
with a simple purpose

OUR VISION

To be Cambodia's leading and most trusted conglomerate in every activity we undertake.

The Company We Are

OCIC is a leading investment company in Cambodia and a global business partner of choice for companies looking to invest in Cambodia. It is a company that is visionary in nature, bold in the industry and diligent in executing. It is entrepreneurial and disciplined, passionate, humble and a global driver of value creation and positive change, with a mandate to be a good steward of people, industries and resources in numerous areas it operates.

OCIC is a company that empowers the Cambodian people, creating opportunities for them to learn and grow and use their skills and talents in serving others. We are a company that combines local knowledge with a commitment to upholding global standards.

We are a company that is in a constantly state of innovative—always seeking the latest and innovative ways to partner with local and global businesses, entrepreneurs, corporations and governments in creating market-leading branded businesses.

OUR MISSION

To explore and develop all possible fields where we can excel, truly contributing to Cambodia's economy and creating a better life for its people.

At OCIC, we tackle every endeavor as an opportunity to strengthen our lasting relationships with our partners and investors. We recognize that our success is a direct measure of the trust that our partners have placed on us. Our mission is to help our partners and investors realize their business goals, continue to explore, develop, invest in, and partner with market-leading businesses and projects globally through mix of intellectual and financial capital combined with professional excellence and the highest standards of integrity, one partnership at a time, one investment at a time —and one relationship at a time.

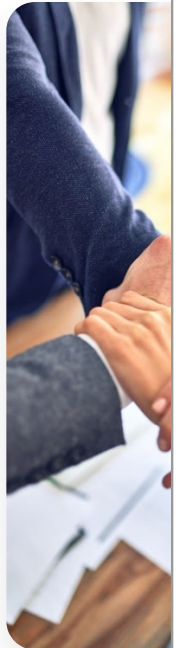

The company we see is OCIC.

Our Core Values

Trust
Respect
Innovative
Entrepreneurial
Social
Integrity
Responsibility

Building Trust

We believe that building trust with our partners, investors, stakeholders, and colleagues is a key to ensuring a long-lasting growth of the Company.

2003

A year of firsts

Cambodian Cultural Village

First cultural village in Cambodia, located in Siem Reap Province. Her Royal Highness Norodom Monineath Sihanouk, Prime Minister Hun Sen, and Hong Kong's famous actor Chen Long (Jackie Chan) used to pay a visit to the Cambodian Cultural Village.

Sorya Center Point

First shopping mall in Cambodia which brought Cambodian children thousands of memories during their childhood. Many youths know this shopping mall well and ever went there at least once

Canadia Tower

First Commercial Building in Phnom Penh, located along the Financial Road (Ang Duong Street), and this commercial building has attracted many investors and private companies.

2006

Commercial growth

Diamond Island Satellite City

First Satellite City to be developed by OCIC with its total area of almost 100 hectares. The city now is filled with high-rise buildings, high-end residential projects, and commercial projects.

2009

Crafting a landmark

Diamond Island Convention & Exhibition Center

First and famous convention and exhibition center in Cambodia. People might not know the full name of this building, but people must not miss going to the wedding party in Koh Pich City.

Chroy Changvar City

Biggest Satellite City to be developed by OCIC with the total area of around 387 hectares. This city is accompanied by Tonle Sap River and

Mekong River, which has become a wonderful landmark that attracts many investments, commercial activities, and residential projects.

2011

Our largest development yet

Canadian International School of Phnom Penh

One of the biggest international schools in Phnom Penh, offering international curriculums and high-quality of education to both local and international students.

2012

Dara Airport Hotel

Expanding our horizons

OCIC Cambodia - About

One of the famous 4-star hotels in Phnom Penh, offering luxurious stay to both local and international tourists. This hotel is located along Russia Blvd, just 10-min drive from the Phnom Penh International Airport.

Olympia City

First Satellite City in Central Phnom Penh . This giant and fabulous project is worth at billions of dollars, comprising of residential condominiums, high-end office space, luxurious shopping mall, medical center, and first-in-Cambodia financial building that is under construction.

Tourism City

Biggest residential project in Siem Reap province, providing spectacular and new lifestyle with stunning landscape. The total area of development is approximately 66 hectares.

2017

Regional expansion

2019

A focus on aviation

Phnom Penh International Airport

New Phnom Penh Airport to be developed by OCIC. The New Phnom Penh Airport is a huge development to serve the city of Phnom Penh, Cambodia. The airport is located 30-40km outside of the city and is expected to be operational by 2025.

Chroy Changvar International Exhibitional Hall

A 16-million-dollar project, which will be used to host the Asia-Europe Meeting. This project is located in Chroy Changvar Satellite City. This great venue is designed for international exhibitions, meetings, and weddings.

2020

Looking to the future

Our Impact

Building Cambodia Driving Development

Infrastructure is fundamental to progress. OCIC works across the spectrum of the property and infrastructure development process based on local market needs, catalysing private sector participation and creating development impact.
