Our Association

Cambodian Association of Finance & Technology (CAFT), seek to cultivate interest and technical skills to promote increased innovation, financial inclusion, diversity and collaboration of all Tech segments by serving as the collective voice in providing relevant and expert-sourced information to regulators and the private sector. CAFT advocates for effective and future-focused measures to ensure prosperity across all industries.

What makes us CAFT?

Collaboration - We aim to gather and bring together the diverse parts of the Cambodian Fintech Community to create impact

Advocacy - We aim to create a unified voice for the Cambodian Fintech ecosystem to initiate meetings and cooperation with government officials, politicians and other relevant organizations

Facilitation - We aim to provide a great network where people in the Cambodian Fintech industry connects

Teaching - We aim to learn from existing leaders and nurture the next generation of talent

Timeline

2019

CAFT was established

CAFT was founded through the collaboration of **6 strategic players** in the digital finance space.

CAFT on its first fully operational year

- CAFT merged with Cambodia Fintech Association
- CAFT became a member of the Association of Banks in Cambodia.
- With the pandemic restrictions CAFT had mostly the online and digital activities, both locally and internationally, including the **World Fintech Festival** by SFF and MAS together with NBC, ABC and CMA

2020

2021

CAFT on its 2nd operational year

- CAFT held its Annual General Meeting
- CAFT created a new committee "**East Asian Digital & Tech Committee**" to cater members from East Asian Countries
- Partnered with numerous organizations and associations
- Success of various digital event such as **CamTech and WFF** despite Covid restrictions
- Co-launched **Fintech Roundtable Forums** with other 8 ASEAN fintech associations

The Future

This year with its board and new committees' chairs, CAFT is excited to embark on its new chapter and looking forward to its growth and in advocating for the FinTech community in Cambodia and East Asian Countries

 CAFT, NBC & ABC
 IN PARTNERSHIP WITH SFF

Plans forward

Annual marquee event of CAFT that will attract both local and international speakers and attendees.

- Adding an **Offline** element for this year, depending on Covid situation (**online elements will remain the same, whereas offline will be added on top**).
- To continue online broadcast, however, towards a wider audience and well edited manner via various domestic and international channels.
- Will be in coordination with National Bank of Cambodia and Ministry of Post and Telecommunications.
- Tentative Date end of Q3 up to mid Q4 2022.
