PH Diamond Place's \$ 60 million supermarket in Borey Peng Huoth

March 24, 2018

After opening the construction site of PH ECO Mall in late 2017, Borey Peng Huoth Group Co., Ltd. has started construction of another supermarket called PH Diamond Place, along the Samdech Techo Highway (60 meters), with an investment of \$ 60 million and plans to complete construction in 2020.

2020

HE Senior Minister, Minister of Land Management, Urban Planning and Construction HE Chea Sophara said that I was very pleased this morning at the groundbreaking ceremony for the construction of Ph Diamond Place, the second supermarket project of Borey Peng Huot Group. PH Diamond Place is one of the potential economic sectors of Cambodia, as well as the development of social development through private sector development.

Finally, HE Chea Sophara also thanked and greeted all real estate companies, especially Borey Peng Huot Group, for their continued success and prosperity. In which, HE also expressed the expectation that by the year 2020, PH Diamond Place, which is located in the area of business and housing projects, will make this potential development zone more accessible to all national and international clients.

Oknha Tha Meng Ly, director of Borey Peng Huot Group, said that we are proud to bring together a new shopping mall project, the Ph Diamond Place shopping mall, a second shopping mall project, after the PH ECO Mall, which started to collapse on December 17, 2017.

The PH Diamond Place shopping mall is part of The Star Diamond's modern development project along Samdech Techo Highway and covers more than 40 hectares of land. In The Star Diamond, we have developed a luxurious residential area, a mixed development with new condominium and office space, sales office and office space of Borey Peng Huot Group, as well as PH Diamond Place shopping mall, high commercial building, swimming pool and recreation park with beautifully landscaped natural trees.

In addition, Ouk Rieng further specifies that PH Diamond Place, which is investing more than \$ 60 million on an area of nearly 6 hectares, will provide customers with convenient and international standard shopping experience in a full-fledged position. PH Diamond Place has a total of 60,000 square meters of space and nearly 30,000 square meters of space, and has more than 2,200 parking spaces and parking spaces.

In addition, the development of the PH Diamond Place is part of the business expansion strategy of Borey Peng Huot Group, in the context of high growth and good political stability, under the direction of the Royal Government of Cambodia, which promotes clean city development and creates more tourist destinations.

The PH Diamond Place shopping mall is part of the 60-meter-high The Star Diamond of Borey Peng Huoth, in which the project includes a luxury apartment, a condominium, a high office, a hall, a wedding hall, the new headquarters of Borey Peng Huoth and PH Diamond Place.

PH Diamond Place is an investment site on 6 hectares of land and provides customers with convenient and international standard shopping experience in a location full of

potential. The supermarket has a total of 60,000 square meters of space and 3 million square meters of space, with 2671 parking spaces and 952 parking spaces.
