## Bodaiju Residences

Bodaiju Residences is a condo and apartment project located in Kakab, Phnom Penh and was completed in Jan 2020. It has 928 units across 14 floors and was developed by Creed Asia (Cambodia) Co., Ltd, who is also behind ARATA Garden Residences and The First & Biggest Japanese Condominium in Cambodia.

Bodaiju Residences is strategically located on Russian Boulevard, a prime location of high real estate value. With close proximity to major shopping and dining conveniences, it is the ideal living address. Just a stroll away is Lion Mall, a lifestyle shopping mall offering one-stop fashion, dining, and entertainment options, including the world-class Malaysian department store, Parkson. Bodaiju is also a few minutes' drive to Phnom Penh International Airport, International Phnom Penh Hospital, and Northbridge International School. Its highly-anticipated location is set to develop into Phnom Penh's most desirable residential district.

Bodaiju Residences is another high-end residential building that uses Jieshun Parking Management System. With a reliable parking system, E security. In addition, the syst iding with the modern positionir

Now Jieshun's parking solutions have been widely used in transportation hubs, office buildings, residential buildings, entertainment venues, shopping malls and other places.
