

## Vattanac Bank Cares

Just as any individual who upholds good morals as a way of life, we have always sought to balance the interests of the Bank with the welfare of the community that we serve. It is our belief that the success of community development projects can only bring about greater success to all who participate in it, including our Bank. We promote a culture that is based on a strong sense of community and teamwork.

### Our CSR activities

Through a variety of programs and activities, our employees are encouraged to volunteer their time towards community involvement. As a way to enrich the life experiences of those in need, our commitment to community service include making charitable donations to organizations and participating in events that foster concern for the welfare of people.

From an industry perspective, we support the call for a sound banking system by operating under international standards and best practices, and sharing with the community what we learned from our experiences whenever possible.

### Our Corporate Values

Vattanac Bank has fundamental values that breathe through all our operations, ensuring we consistently work towards better banking- for all.

Lead by example.

Pursue business opportunities.

Communicate openly and honestly.
