Overview

Suvannaphum Investment Co.,Ltd.(Cambodia) was established in 2008 to operate Power Plant to Supply 10MW Electricity to Phnom Penh under EDC Distribution License. In 2012, we have plan to develop our 205 hectare Land to be Special Economic Zone, to provide manufacturers in Cambodia with an alternative to having lease land to develop their own facilities. Council for Development of Cambodia (CDC) Cambodian Special Economic Zone Board approved our Special Economic Zone on 21 November 2013.

Suvannaphum is a member of TCC Group from Thailand that operates business at the high standard. We provide high standard of Economic zone with Environmental friendly, 24 hrs security, dormitories for workers, garbage collection and disposal, electricity and water supply. Our management team from Thailand and local Cambodian will support and assist your company with the on-site administrative team support from set up and investment registration thru all the government agencies, legal support, customs clearance, labor management, business registration, worker's recruitment support, import and export permit.
