

CSR
SPORTS

We empower young Cambodians through sports, creating opportunities that they otherwise wouldn't have access to. The KMH football tournaments, facilitated by KMH Foundation, are Cambodia's biggest semi-professional football leagues.

The competitions are a way of encouraging football in Cambodia, particularly for youth to show their talent. Annually, more than 1000 players from 50 teams and clubs participate in our four tournaments: KMH Cup, KMH Super Cup, KMH Champions League and KMH Academy.

CSR
EDUCATION

The KMH Foundation supports education in Cambodia through a variety of initiatives, including school rebuilds and renovations, scholarship programs, school supply and food donations.

From a lack of safe school buildings to needing to work to help support their families, there are many obstacles young Cambodians face in accessing adequate education. Education is essential to empowering Cambodia's youth and creating a better living for generations to come.

CSR **HEALTHCARE**

In pursuit of the ISI GROUP vision, the KMH Foundation contributes to many community projects and organizations.

Our focus on healthcare stems from the recognition that a healthy life is a better life. Donations to hospitals and environmental clean-ups are some of the diverse health initiatives we've undertaken to create and build a better living for all.

CSR **HOUSING**

With a vision to create and build a better living for rural communities, Mekong Homes provides affordable, high-quality homes made from prefabricated materials.

Safe and secure housing is essential to the health and well-being of all families. Housing is one of the KMH Foundations key initiatives and is driven by our roots and knowledge in the building and materials industry.
