FURI TIMES SQUARE MALL was nominated for the Best Retail Architectural Design Category at the Cambodia Property Awards in 2019, held at the Sofitel Phnom Penh phokeethra.

Furi Time Square Mall Hotel is about a \$10 million venture with FURI Real Estate and investors from macau and Hong Kong.

The Shopping complex will cater to the huge business growth within the town and therefore the demand for international – standard retail areas and accommodations.

The prefect can bring the primary foremost shopping precinct o sihanoukville.

The project can with pride host sihanoukville's 1<sup>st</sup> cinema by Legend Cinema
