arrival in Myanmar. However, the diplomats and United Nations officials who live in separate houses will continue to be allowed to stay 7-day House Quarantine on their arrival in Myanmar.

The Ministry would be grateful if the revised directive relating to COVID-19 restricted measures could kindly be circulated among all the members of the Diplomatic missions and the United Nations officials and their family members.

The Ministry of Foreign Affairs of the Republic of the Union of Myanmar avails itself of this opportunity to renew to all Diplomatic and Consular Missions and Offices of the United Nations, its specialized agencies and International Organizations residing in Myanmar the assurances of its highest consideration.
